

2008 ADELAIDE ROYAL SHOW JERSEY FEATURE BREED

By Colin Blacker

The 2008 Adelaide Royal show provided a great venue for Jerseys and Jersey folk with Tara Bonhert from Elmwood, Illinois USA, the judge of the Jersey Feature breed display of Jersey cattle. Tara's judging ability and her excellent comments on her placings was

well received by all.

The Royal commenced the Feature breed initiative a couple of years ago and support funding on a dollar for dollar basis with a maximum figure this enables to breeds to raise monies to go towards prize money and sponsorships.

The South Australia Branch accepted the offer and 13 local and interstate breeders supported the classes with good numbers of animals.

As an added interest the Society made an effort to contact as many former breeders, exhibitors and committee members to invite them to attend, and at the end of judging a light luncheon was provided.

This proved very popular with the ex-breeders. The interest shown and favourable comments about the animals was most encouraging.

A former Jersey stud owner Mr Bob Cowper said the general improvement in both type and productive ability was quite remarkable. Mr Cowper showed his jerseys for 20 years and served as a committee member for the state.

Another lady Mrs M. Pfitzner who with her late husband has ran the successful "Hampden" stud at Eudunda greatly enjoyed the day catching up with lots of old friends. It is many years since she attended

a Royal having dispersed her herd in 1976.

The Jerseys were also successful in the All Breeds classes taking out Supreme Juvenile cow and

Supreme All Breeds cow. These two animals were owned by Karin and Corey Couch, Nirrandra, Vic of Riverside Jerseys in the western districts of Victoria.

All in all the day was most successful and the committee thank the sponsors and breeders for their support and effort.
