

Tasmanian Pura All Breeds Dairy Fair 09

Once again the Fair was held on 3rd May with Brad Gavenlock judging, with Jersey this year outnumbering Holsteins.

Jersey entries were exhibited by the well known studs of; Minstonette, Riverview Ridge and Merseybank, together with the long established Clifton stud of the Loane family making their debut at this show.

Judge Gavenlock found classes not large in number of entries, yet extremely high in quality.

In keeping with their success at this event, Jerseys achieved the ultimate again, with last year's winner Monvale Star Dulcie 3 exhibited by S & K Sykes being awarded the show Grand Championship. Mr Gavenlock commented that this was "just a great framed dairy cow that has stood the test of time".

Jersey exhibitors showed their colours by winning six of the seven in-milk classes.
